

# Erasmus+

Matteo bura

School of Applied Arts in Rijeka

# Day 1

- we spent the first day traveling to Lithuania.
- we boarded the plane at Franjo Tuđman Airport in Zagreb.
- then transferred planes in Warsaw and arrived in Vilnius from where we drove to Kaunas where we spent the 2 weeks in Lithuania in Domus Pacis namai pilgrimams.

## Day 2

- The second day we had the whole day for our selves.
- We spent the second day walking through the city.

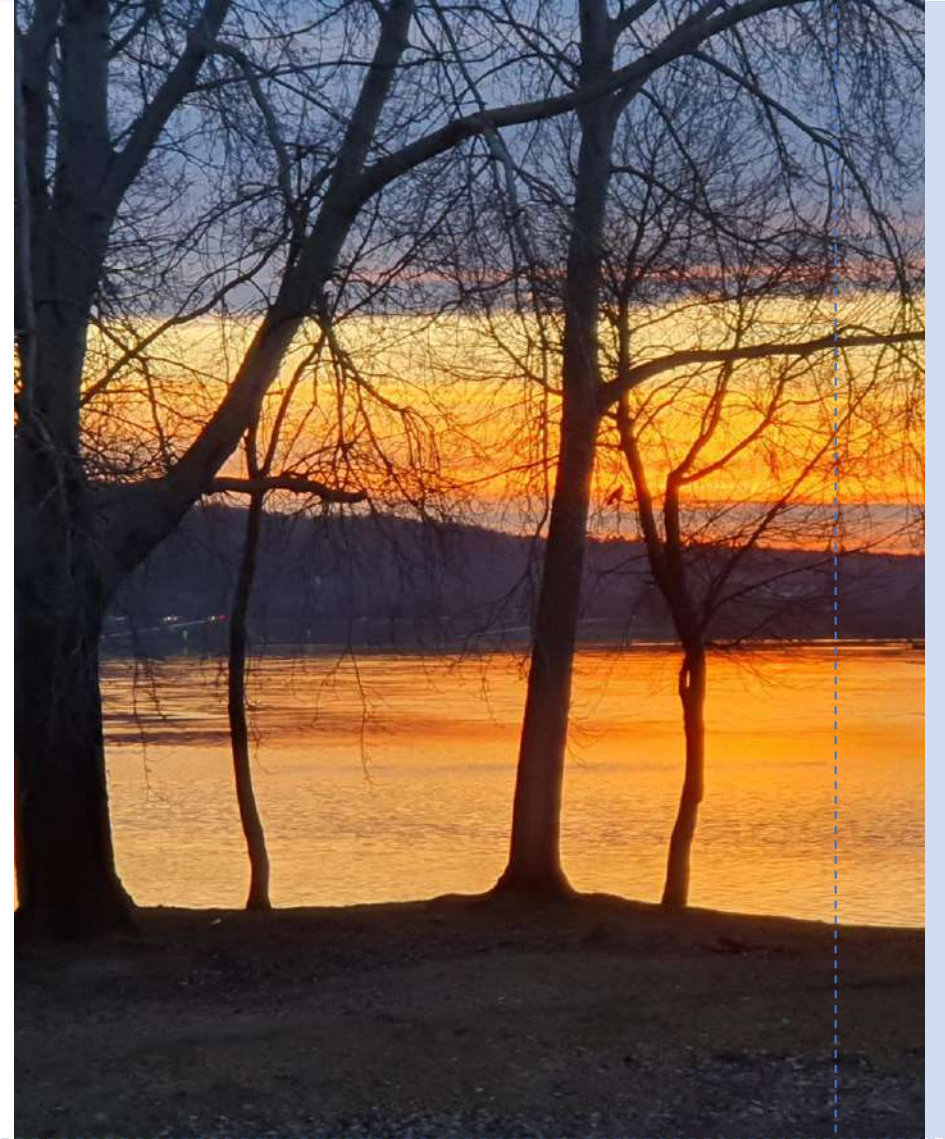

# Day 3

- Day 3 was the day when we met our mentors for the erasmus program.
- The mentors showed us their drawing and painting techniques.
- We painted and drew based on their techniques.

# Day 4

Day 4 was spent painting and drawing same es on the third day.

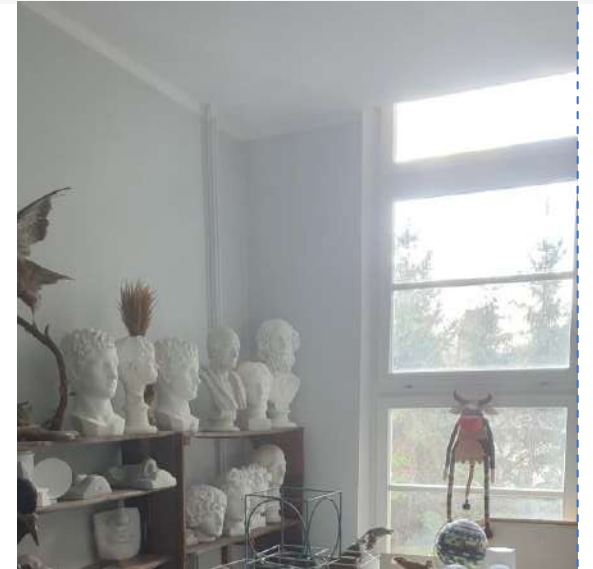

# Day 5

---

- On the fifth day we visited a graphic designer who lives and works in Kaunas.
- He has clients all around the world and also works for Disney.

# Day 6

- On 6th day we had a lecture on photography and our mentor challenge us to make a photo with a compositio.
- In the second half of the day we visited a art school in Kaunas and had a tour of it.
- The art school is technically a primary school but it has a lot of equipment for making art.
- n

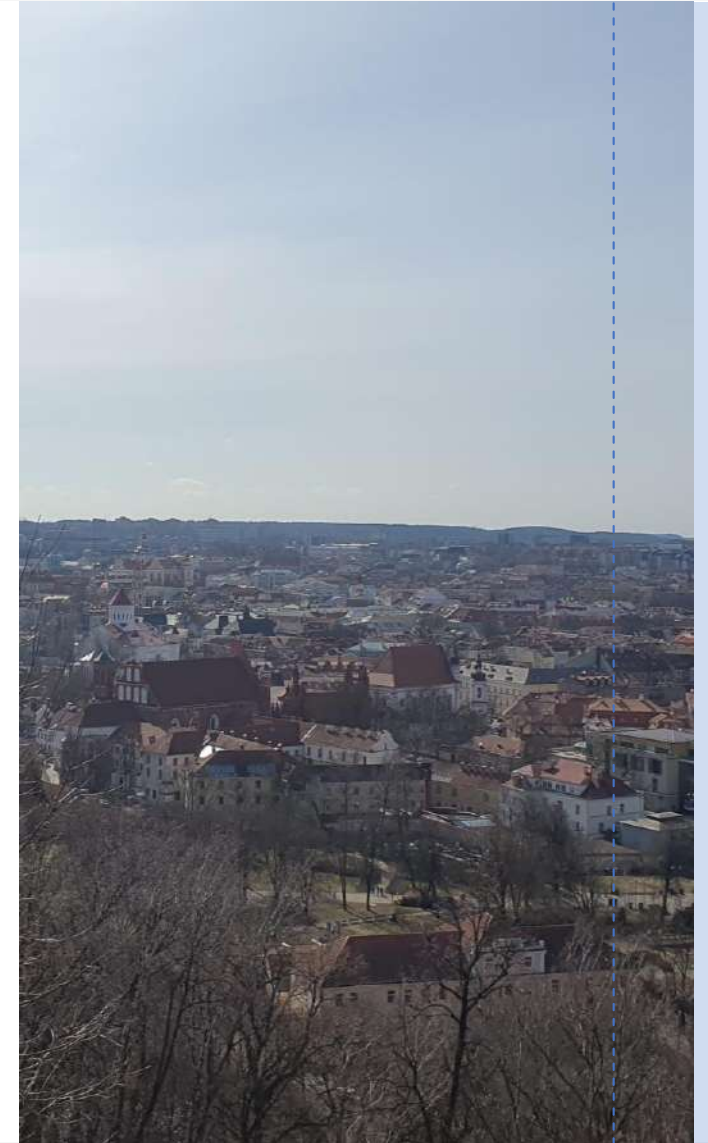

# Day 7

- On the 7th day we had one more lecture on photography and film.
- And we did some more painting and drawing.

# Day 8

- On the 8th day we visited the capital of Lithuania Vilnius
- There we toured the Nacionalinė dailės galerija and had a tour of the city
- We also visited the republic of Užupis which is a section of the city dedicated to art.

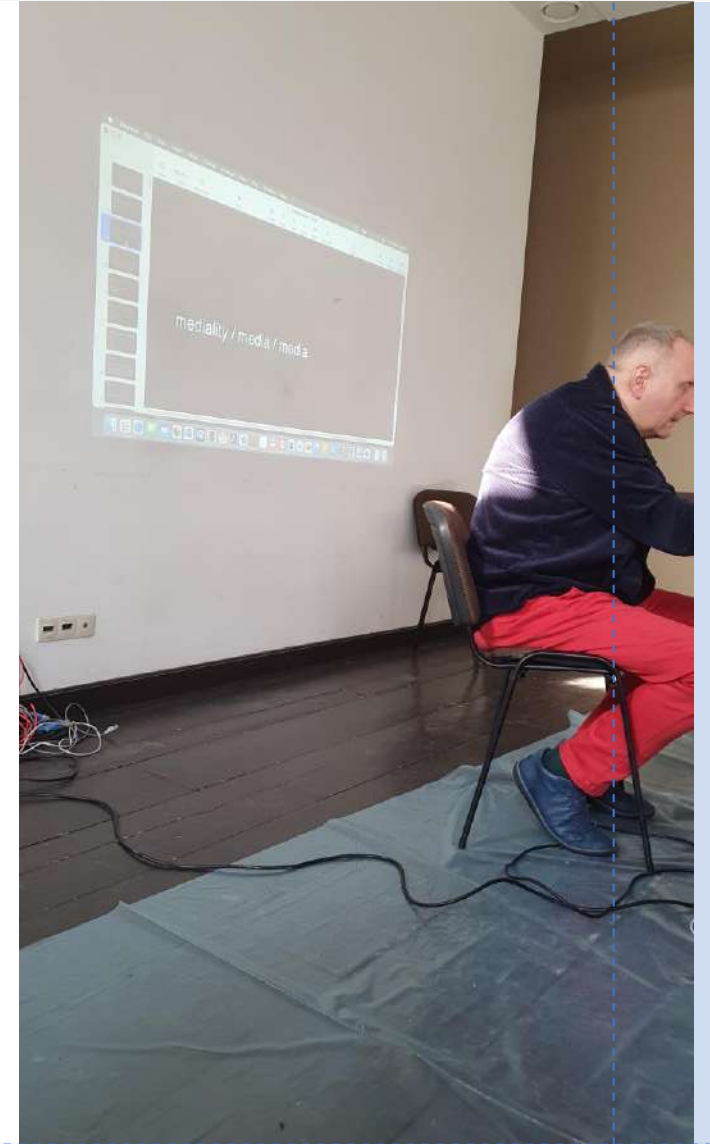

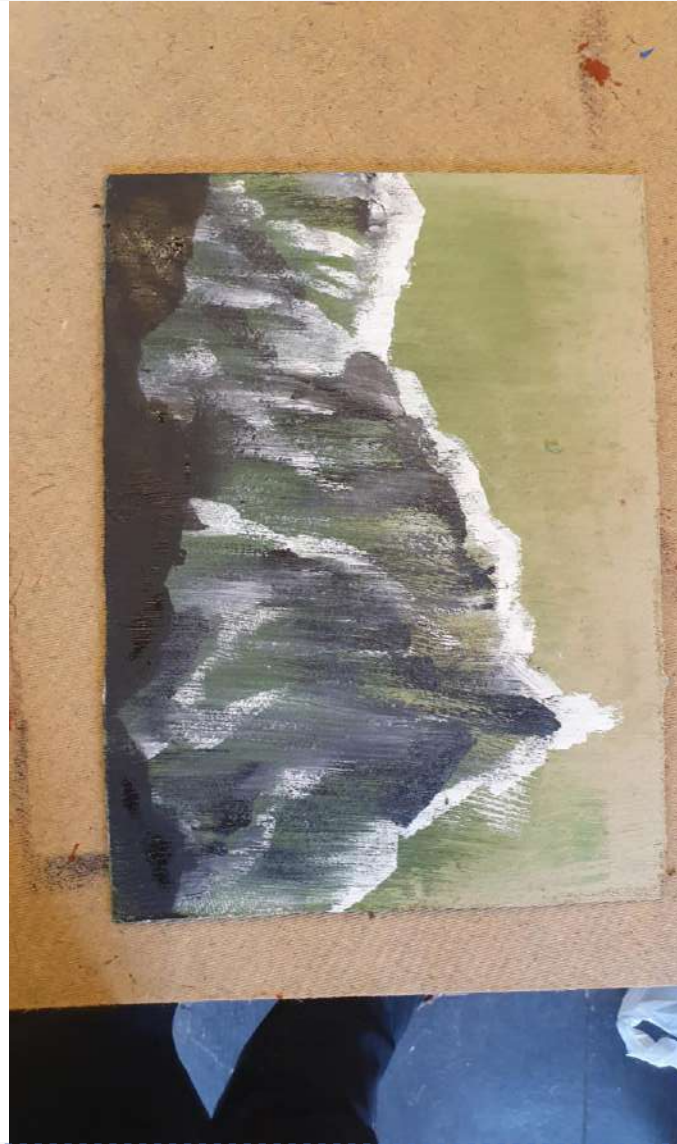

# Day 9

- The 9th day was another free day for us so we walked through the city and visited akropolis the biggest shopping mall in Kaunas.

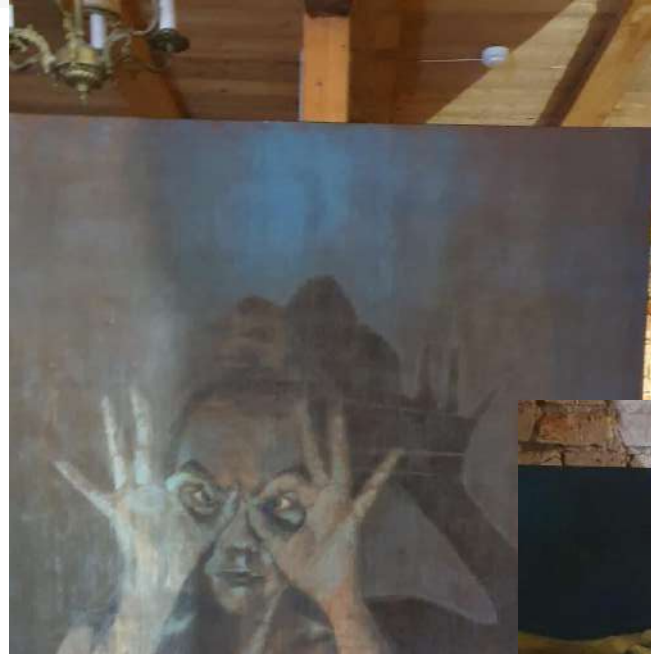

# Day 10

- On the 10th day we had a lecture multimedia and we painted with mentors.

# Day 11

- On the 11th day we visited the studio of one of our mentors that was near the oldest brewery in Kaunas.
- And we did some more painting and drawing with mentors.

# Day 12

- On the 12th day we visited and tour Pažaislis Monastery and Church.

# Day 13

- The 13th day we spent finishing and prepared for our art exhibition.
- Most of us finished early with our art works so we didnt do mutch on this day.

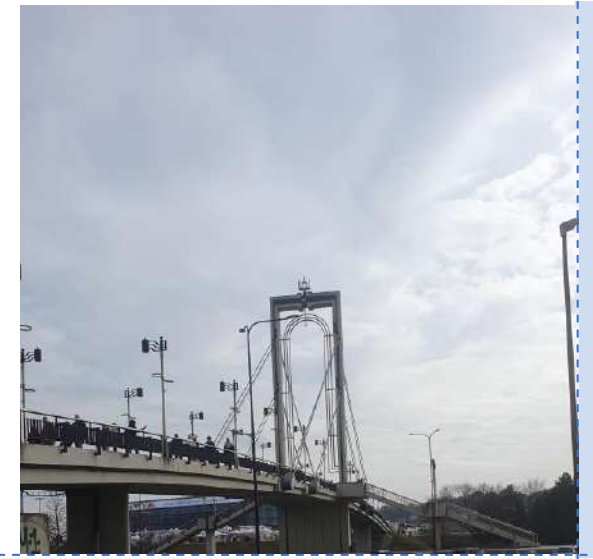

# Day 14

- The 14th day was the day of our exhibition.
- We spent the morning preparing the exhibition
- The exhibition was hard to put together but we were happy with it in the end and enjoyed the opening of it in the afternoon.

# Day 15

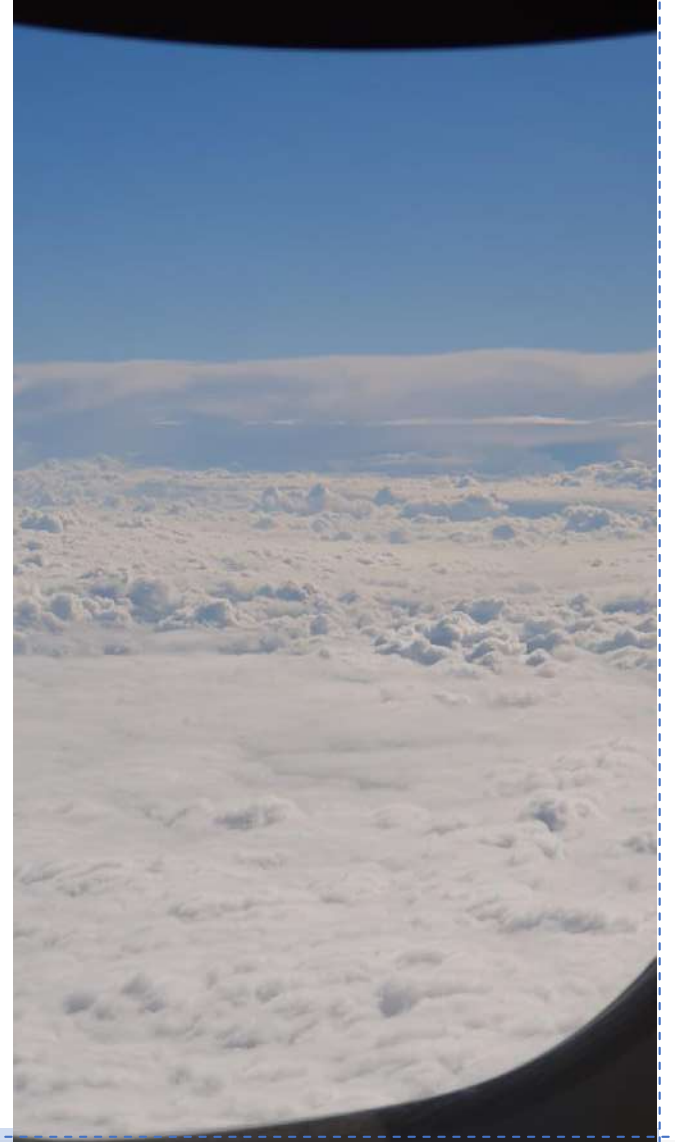

- Day 15 was our last day to explore the city and enjoy it for the last time.
- Most of the day was spent walking around the city and visiting a lot of shops and restaurants.

# Day 16 the end of erasmus+

- The 16th day was the day we traveled back to Croatia.
- I was worn down after the last day so i slept for most of our travel.

The End
